MATERNAL AND CHILD HEALTH

HUMAN RESOURCES FOR HEALTH

HEALTH FINANCING

¹ Kenya National Bureau of Statistics, 2009 Census; population projected by county to 2012—assumed that the county will have same demographic patterns (i.e., age compositions, gender, etc.)

² Kenya Demographic and Health Survey, 2008/2009; counties where the small survey had not been undertaken assumed Provincial averages. Calculations and standard multipliers were applied by the Division of Nutrition

³ Kenya Health Information System, Division of Vaccines and Immunization

⁴ Kenya Health Information System, Division of Child Health; facility delivery data were provided by the Division of Child Health; total number of deliveries was estimated from 2009 census data

⁵ Kenya Health Information System, Division of Reproductive Health

⁶ District Health Information Software

⁷ Early Infant Diagnosis Database

⁸ Integrated Disease Surveillance Reports

⁹ Quarterly Reports, Facility Registers, and District Registers

¹⁰ Integrated Payroll and Personnel Database

¹¹ Master Facility List

¹² Ministry of Public Health and Sanitation finance departments

¹³ Ministry of Medical Services finance departments

¹⁴ National Health Insurance Fund
